**LA GORCE ROW IMPROVEMENTS**  
**Addendum No. 5**  
**March 30, 2010**

**Notice to Vendors**

Due to regulatory agencies taking a stricter approach/interpretation of the anti-degradation policy of Biscayne Bay, the City is currently experiencing some difficulty acquiring the necessary permits to continue with this project. There is no timeline set as to when this matter shall be resolved.

Therefore, the bid opening deadline has been postponed indefinitely. This does not mean that the bid has been cancelled. There will be a monthly update to report on the status of this project.
